

## Documentation:

At first open this software.

Get Birthday.....

✓ Get Result ,Press enter mark this field.....

✓ Then Output:

The screenshot shows a Turbo Pascal IDE window titled "1804CUP011C". The menu bar includes "File", "Run", and "Window". The main window has a black background with the following elements:

- Text: "Enter Your Date of Birth Here:" in cyan.
- Input fields: Three colored boxes (pink, green, grey) for Year, Month, and Day.
- Labels: "Year" in cyan, "Month" in green, and "Day" in pink below the input fields.
- Buttons: Four buttons labeled "OK" (pink), "New" (yellow), "Help" (magenta), and "Exit" (green).
- Text: "Welcome" in large, multi-colored letters.
- Text: "Years" in yellow, "Month" in blue, and "Days" in green.
- Input fields: Three white boxes containing the values "2000" (red), "12" (magenta), and "14" (green).
- Text: "Find Your Day: THURSDAY" in yellow.
